CELEBRATION IN RIDER NATION ROUGH RIDER TO ROUGH RIDER

Did you know that throughout the history of the RCMP the Force has always had Rough Riders? They even have a Rough Rider badge in the form of a spur that to this day is awarded to the men and women of the RCMP who train both horses and riders for ceremonial parade duty and the Musical Ride. For this reason, when the opportunity to participate in activities for the 101st Grey Cup presented itself, we couldn't wait to sign up.

We are pleased to announce that we will have two display areas at the 101st Grey Cup Mosaic Festival Village which will be located downtown Regina in City Square Plaza.

Join us in the Nissan Family tent where we will have a dress up station, give-aways and other prize draws. After dress up fun, put on your coat and head outside to our barn area where retired Musical Ride horses Salute and Turbo, along with their friend Tocala, will be on display and looking for visitors.

Gates will open each day at 11:00 a.m. and remain open until 8:00 p.m. For more information on vendors and activities, please visit the Grey Cup's official website at www.101greycupfestival.ca.

MORE GREY CUP FUN

From November 18 to 24, we are pleased to present a special display, on loan from the Saskatchewan Sports Hall of Fame, which will showcase the first 100 years for the Saskatchewan Roughriders. When you're visiting our Centre, don't forget to ask about our Grey Cup features at the Central Trading Post (gift shop).

P.s. check out the Rough Rider challenge coin in our football display cabinet.

NEW FEATURE EXHIBIT

"Beyond Friberg: The Mounted Police in Art"

The American artist Arnold Friberg has become famous for his iconic, and prolific, portrayal of the Mounted police, but what about those other artists who have also celebrated the "Mountie"? The "Beyond Friberg" exhibition will explore works from a number of artists, and will feature a painting titled "**Beyond the Law**" by famous **Group of Seven** artist **Franz Johnston** (see below). After extensive conservation, the RCMP Historical Collections Unit is pleased to bring it home this unique piece of Canadian art for the public to enjoy.

Guests can view this exciting exhibit in the Centre's Feature Gallery **from December 2, 2013 to March 31, 2014**. Regular admission does apply. SANTA RETURNS TO THE RCMP HERITAGE CENTRE

The REAL Santa Claus returns to the Heritage Centre this December for a third year in a row. If you have children that are just on the cusp of becoming non-believers, you have got to take them by the Centre for a visit between 4:00 p.m. and 8:00 p.m. on December 12, 13, 14 or 15.

Contrary to popular belief, Santa is not one for making parents stand in line, so he's asked Centre staff to take reservations on his behalf. He will meet with a maximum of 15 children per session at pre-determined times. Reservation forms can be found on our website event calendar under the above dates, or they can be sourced by contacting our Event Coordinator, Trina, at trina.agopsowicz@rcmphc.com.

A visit with Santa in 2012

Other activities being hosted in conjunction with Santa's visit include:

- Santa Science Show with Funtazm Entertainment. Find out how Santa finds room in his bag for all of those toys, how he gets down chimneys or flies through the air
- Wagon rides through the historic grounds of RCMP "Depot" Division with a stop at the Chapel
- Crafts
- Hot cocoa and snacks

Regular admission prices apply. All Annual Pass holders will gain access for free.

Remember to bundle up!
